

ADVERTISE WITH US !

Advertising with The Italian Chamber of Commerce in Hong Kong and Macao means getting your message across to the people who do business in Italy, Hong Kong, Macao and Mainland China. We use a number of channels, such as our newsletter “Grapevine”, membership directory, website and e-mail shoot-outs to communicate with our members and business contacts.

Advertising opportunities are also available through the sponsorship of popular and high-profile Chamber events and social gatherings.

If you are interested in advertising, please contact us for more information at icc@icc.org.hk, or tel. (852) 2521 8837.
