

Production outsourcing in Asia: practical solutions to drafting and negotiating an effective outsourcing contract.

The Italian Chamber would like to invite you to a seminar on practical solutions to drafting and negotiating an effective outsourcing contract for production outsourcing in Asia.

In the past decade, the outsourcing to Asia (particularly China, and - increasingly - India) of the production of items ranging from garments to drugs has become a widespread practice.

In this seminar, we will discuss how to :

- Tailor contracts to address these issues in the context of the Asian reality.
